

Agnieszka Kosiorowska

Agnieszka Kosiorowska

PhD student

Anthropologist, MA graduate in Etnology and Cultural Anthropology and in Applied Linguistics at the University of Warsaw. Her current research concerns the relationships between Catholicism and reproduction among Polish migrants in Paris. She has conducted a one year research for her master thesis concerning expert motherhood and inter-generational language transmission among a Polish community in Paris. For her BA she conducted research concerning lack of trust towards expert knowledge among agriculturists in a rural community in north-eastern Poland.

[Area of interest](#)

Anthropology of gender and sexuality, anthropology of religion, migration studies, sociolinguistics and linguistic anthropology, political anthropology, postsocialist studies.
